

TRADITIONAL OVEN FAMILY STATIC MONOBLOCK COOKTOP

90

Small and with a capacity of 2/3 pizzas, it has a MONOBLOCK cooking surface and was designed to allow everyone to cook with a professional oven in their own home.

Whether you want to build an oven from scratch, or simply finish the refractory concrete core with the material of your choice, everything is now possible with the Family series.

The Family 90 oven will finally allow you to create the oven of your dreams, using this DIY kit, produced with the same materials as the professional Pavese ovens, used by many of the best pizza chefs in the world.
